Miss Katherine Pollak
Research Secretary
Committee for Industrial Organization
Room 45, Rust Building
1001 15th Street, N. W.
Washington, D. C.

Dear Miss Pollak:

The report of our hearings of last spring is out out of print and consequently not now available. It may be that we will request a reprinting when our recent hearings go to press. Should we, how many copies will you want?

I will communicate with you before final instructions are given the printer in order that you may order more copies of the hearings should your requests increase.

Yours very truly,

Harold Weisberg
Subcommittee of the
Committee on Education and Labor
